

Trimvent® Select Xtra XS16

Surface mounted vinyl slot ventilator

Trimvent® Select Xtra S16 Ventilator

Suitable for:

Trimvent Select Xtra XS16 is a surface mounted vinyl slot ventilator that fits over a 5/8" slot in a window and provides a much healthier indoor air environment in the home and give the home occupants greater comfort and control in doing so.

It features a unique directional deflector that allows the occupant to position the airflow for optimum comfort and performance.

Trimvent vents all give optimum airflow. Specifically developed to improve indoor air quality requirements throughout North America and the Rest of the World. Trimvent Select ventilators have been specified and fitted on millions of windows throughout the world for more than fifteen years.
